Allowable Subject Matter

Claims 1 – 20 are allowed in light of the MPEP provision regarding provisional double patenting rejection. The instant Application (10/816,449) having an earlier effective filing date than pending Application Serial Number 10/899,480 permits, under the provision, withdrawal of the rejection to allow the Application to issue as a U.S. Patent. A statement of reasons supporting the allowable subject matter follows:

The prior art of record fail to fairly teach a compressed air processing system for motor vehicles comprising, in combination with other limitations, an electronic control unit designed and arranged to control, in combination, at least one valve of a pressure control unit, at least one valve of an air dryer, a multi-circuit protection valve, and at least one controlled valve controlling an air suspension system of the vehicle.
